Welcome and thank you for choosing Dolphin as your pool care company! We have worked hard for 43 years to set the standard for quality and service in the swimming pool industry. This service agreement outlines our commitment to provide the most professional care for your pool or spa. If you will take a few moments to read it carefully, it will help to avoid any future misunderstandings.

1. Service Pricing

Weekly Service **Monthly Rate \$** _____ (plus applicable taxes)

Under our "weekly service" plan, the customer pays for chemicals in addition to the monthly service rate. The maintenance tech will alert the customer when chemicals are needed and will deliver them at the customer's request, or the customer may purchase them on their own. If the customer does not have the necessary chemicals, they will be provided off of our truck at an additional charge.

2. Services Included: On each service, our maintenance tech will do the following:

• Vacuum or leafmaster the pool	• Empty the traps and skimmers
• Brush the walls and steps	• Empty the poolsweep bag
• Clean the poolsweep lint screen	• Test and adjust the water chemistry
• Backwash and recharge filter as needed	• Note any problems with the equipment

3. Service Schedule: Your pool will be done by the same technician on the same day each week, unless your regular technician is unavailable. We will notify you if the pool will be done on a different day for any reason.

4. Initial Startup Visit : It is important that your pool be clean, algae free and chemically balanced when we begin your monthly service. On pools that need cleaned before we start service we provide the initial startup visit at a charge of \$100.00 per hour plus chemicals. The regular monthly cleaning contract begins on the week after the initial startup visit.

5. Equipment Problems: If your maintenance technician notices a problem with the pool, he will leave you a note and contact our office. In the event a problem arises, please call our office as soon as possible to authorize a repair service call by one of our trained equipment repair specialists.

6. Covered Pools: If your pool is covered with an anchor style cover, we offer bi-weekly service at a reduced rate between October 1 and April 1. This is for covered pools only and offered only during these months.

7. Pets: It is the customer's responsibility to contain and restrain all pets. We will do our best to keep the gate closed at all times, but we cannot be responsible if a pet gets out while we are doing our job. In addition, the customer accepts responsibility for any injuries inflicted by pets on our technicians.

8. Access: The customer must provide ready access to the maintenance tech on the day of service, either by providing a key or insuring the pool and equipment area are unlocked on the day of service. If the tech is locked out, there will be a \$15.00 trip charge to return and clean the pool. No refunds will be given for lockouts.

9. Holidays: We observe three holidays per year: Thanksgiving, Christmas and New Year's Day. If your normal visit falls on one of these days, the pool will not be cleaned, but on an alternate day, we will provide a chemical and equipment check. The charges will remain the same.

10. Water Level: It is the customer's responsibility to maintain the water level. We cannot be responsible for any equipment damages or other issues that arise as the result of low water level in the pool.

11. Inclement Weather: In the event of rain or freezing weather, we will perform a chemical and equipment check only on the pool, leaving out those items that require the use of a pole. No refunds will be given for such visits.

12. Salt Chlorinators: We understand and appreciate the benefits of salt water chlorination, however, salt is still a corrosive mineral and Dolphin cannot and does not accept any responsibility for any damage, staining, corrosion or deterioration of any of the pool equipment or surfaces, that may result from the use of salt in the pool.

- 13. Service Problems:** If you are not completely satisfied with our service, please contact us immediately. We do not offer refunds or credits for problems that are brought to our attention at a later date, but we will make every effort to come out and correct any problems immediately when you bring such issues to our attention.
- 14. Heavy Leaf Fall:** During certain times of the year, due to leaf fall, it may be advisable for the homeowner to empty the skimmers and traps in between our visits. This will help to insure that the equipment is not damaged due to lack of water flow.
- 15. Extra Cleaning:** In the event the pool requires extra cleaning due to vandalism, poor drainage or other human factors, there will be an additional charge of \$75.00 per hour plus chemicals for this additional work.
- 16. Freezing Weather:** In the event of freezing weather, water circulation must be maintained continuously through the equipment to prevent freeze damage. It is also critically important during freezing weather to do whatever it takes to maintain the proper water level.
- 17. Payment:** A valid, current credit card number is required for payment of all monthly charges. Visa, Amex, MasterCard and Discover are accepted. Dolphin will bill your service to your card and send an itemized receipt at the end of every month after the work has been completed. In the event your credit card is declined, your service may be interrupted.
- 18. Special Events:** If you are having a special event at your pool, please let us know so we can schedule our service accordingly. We can schedule extra cleaning visits as needed at an additional charge.
